

SAFETY RECALL INSTRUCTIONS

Protective Cover for 3-in-1 Flush & Sounds Potty (Models Y3075, Y3076)

Directions for assembling the protective cover to the decorative plaque:

- Place the protective cover with slots positioned on the lower half over the decorative plaque and then press down. You should hear a click sound indicating that the protective cover has been correctly assembled to the decorative plaque. Once the protective cover is installed, it is not intended to be removed.
